TESTIMONIALS:

SERGIO RODRIGUEZ

ENTREPRENEUR – FOOTWEAR AND FASHION INDUSTRY

I came to the sessions full of mental blocks and unable to make decisions for myself. I also had stomach discomfort that completely eased during and after the sessions. I was able to reset my mind and make big decisions—like buying my dream house with my partner, launching new projects, and taking important steps for my business.

PAOLA ROCHA

TECH & SERVICES, B USINESS OWNER

Every time I have a business trip or an important decision to make, I turn to Johnny, his angels, and his energy sessions. They make me feel lighter, calmer, more centered. They help reduce the anxiety my business sometimes brings. After each session, I walk away with more clarity, balance, and the ability to enjoy life more fully.

ANGELICA MEDINA :

PROFESSIONAL TRADER – FUNDED ACCOUNTS AND PRIVATE CAPITAL

With Johnny, I felt a huge mental release. I started making better trading decisions, felt more creative and clear. I also healed family-related emotional issues that had been limiting me. This marked a before and after in my business. I allowed myself to receive spiritual guidance, which is now part of my daily life.

RODOLFO MARTINEZ

REGIONAL MANAGER, CYCLING RIDER

I was emotionally overwhelmed and unwell. I felt disconnected from myself.

It was hard to enjoy life, to feel happy, or connect with my essence.

I had intense headaches from overthinking and struggled to set boundaries.

I was afraid of moving to the next level in my life.

Now, I feel more confident. I experienced deep release and gained the security I needed to make important decisions.

I've integrated spiritual practices into my life and now prioritize my health.

LISBETH ZAMBRANO :

REAL STATE BUSINESS OWNER, ENGLAND

My body was asking for healing energy due to a health condition.

These sessions brought me relief and a sense of calm that had been missing from both my personal life and business. By releasing emotional and energetic burdens, I now feel more connected to myself. I enjoy my alone time and experience life in a whole new way.
